*Proceedings of the Madras Government, Public Works Department,
29th May 1866.*

No. 689. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 18th August 1865, No. 96 :—

With reference to G. O. No. 2,359 of 14th August, I have the honor to represent that stabling is not required at any of the Military stations in the 7th Division, except temporarily at Cannanore, pending the relief of the Field Battery at that station by the Garrison Battery, for the accommodation of which plans are now under preparation. And the horses of the Field Battery at present at Cannanore occupy stables which His Excellency the late Commander-in-Chief approved of most highly on his last inspection; under which circumstances, perhaps, I am not wrong in supposing that new plans need not be prepared by me.

No. 690. ORDER THEREON, 29th May 1866, No. 1,704.
