Proceedings of the Madras Government, Public Works Department,
5th June 1866.

No. 87. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 25th May 1866, No. 352 —

I have the honor to forward the accompanying letter from the Superintending Engineer, 6th Division, No. 83, dated 16th instant and request the renewed sanction of Government for the continuance of the establishment employed under Captain Mead in Tanjore, chargeable to the allotment of 20,000 Rupees.

1. This establishment which was sanctioned in G. O. 3rd April 1865, No. 839, to be charged to Minor New Works, has been debited to Establishments during the past official year under the orders of the Government of India, dated 23rd May 1865, No. 463 A, paragraph 6, communicated in Proceedings of Government dated 3rd July 1865, No. 1,851.

2. The renewed sanction of Government for passing this charge during the past year was not considered necessary, this establishment having been employed only from 1st May 1865, and therefore the G. O. of 3rd April 1865 was sufficient authority for this Office to pass it.

From the Superintending Engineer, 6th Division, to the Controller of Public Works Accounts, dated Tanjore, 16th May 1866, No. 83.

1. With reference to the Deputy Controller's Memorandum No. 97, dated 7th May, declining to pass the pay of the temporary Lascars employed by Captain Mead under G. O. No. 889, dated 3rd April 1865, and requesting that an application may be made to Government for renewed sanction against the allotment for the current year, I have the honor to observe that no renewed sanction was required in 1865-66, though the G. O. was dated April 1865, and that the G. O. granted permission for the entertainment of the six Lascars required for the survey operations, and those operations not yet being completed, the sanction I should suppose held good, and that if no renewed sanction were required for 1865-66, none can be required for 1866-67.

2. On referring to the G. O., I observe that the Lascars ought to have been paid under paragraph 17 of the Rules circulated in G. O. No. 24, dated 7th January 1863, as for a minor work, instead of on an abstract passed by you, and I shall be glad now to be informed what sanction you wish me to obtain from Government. Whether that the Lascars may be paid from the allotment for Establishment as hitherto, or that they may be paid from the allotment from Minor New Works in 1866-67; the former probably does require sanction, requesting sanction for the latter would be a work of supererogation if I can afford to make the necessary allotment from that for Minor New Works, and the bills may be forwarded to you for pre-audit under paragraph 17 quoted above. If you think otherwise, I will submit the matter to Government, and obtain their sanction.

No. 88. ORDER THEREON, 5th June 1866, No. 1,770.

ESTABLISHMENT, No. 8.

1. The Government authorize the Controller to pass the wages of the temporary establishment referred to in this letter during the current official year.

Chapter 1, Section 3, paragraph 10.

to Government. He will now adjust the charge in accordance with the rule above marginally quoted.

2.
