*Proceedings of the Madras Government, Public Works Department,
6th June 1866.*

No. 118. Read the following letter from the Officiating Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 29th May 1866, No. 335 :—

1. I have the honor to forward the accompanying letter from the Executive Agent, Chittoor Range, North Arcot District, giving cover to a Petition from Mr. D'Silva, Monegar of Poincy Anicut, praying that arrears of pay may be given him for the period he was out of employ, as he was dismissed by Colonel Boileau, Superintending Engineer, in August last, on a charge of intemperate habits, and afterwards reinstated with reference to Proceedings of Government, dated 4th January 1866.

2. Under Rule 2, embodied in G. O. G. No. 2,528, dated 26th September 1865, communicated with the Order of this Government, No. 3,422, dated 15th November 1865, Mr. D'Silva would seem entitled to subsistence allowance equal to a portion only of his salary, and not to his full salary, I would recommend that he should receive that allowance at such rate as the Government may think fit to determine.

No 119 ORDER THEREON, 6th June 1866, No. 1,785.

ESTABLISHMENT, No. 11.

1. In June last the Sub-Engineer in charge of the Arnee Range of the North Arcot District having represented that Mr. D'Silva, the Cheyaur Anicut Monegar, exhibited symptoms of insanity, and alleged that it was the result of intemperate habits, the Superintending Engineer of the 4th Division directed his dismissal.

2. Mr. D'Silva appealed against this decision, and the Government, after a careful consideration of the case, expressed their opinion that the charge of intemperance had not been established, and that the mania under which Mr. D'Silva had labored appeared to be the effect of a specific and temporary cause. They accordingly directed the Superintending Engineer to reconsider his decision, and to take measures for re-entertaining Mr. D'Silva unless there were any grounds for debarring him from further employment.

3. It appears from the papers above recorded that, on the receipt of these orders, Colonel Boileau appointed Mr. D'Silva Monegar of the Poincy Anicut. Mr. D'Silva having thus been reinstated in the Department, claims arrears of salary for the period during which he was out of employ, and the Acting Superintending Engineer of the 4th Division considers he is at least entitled to one-fourth of his monthly salary. Concurring in this view, the Government authorize the Controller of Public Works Accounts to pass the charge.
