MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 22nd May 1866, No. ¹⁴³/₄₉₆₃; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government for favorable consideration, the building being useless in the Military Department.

From the Officer Commanding Quilon, 17th April 1866, No. 120; to the Quarter Master General, Head Quarters, Ootacamund.

The trustees of the Free School at this station have requested me to submit an application to Government, to be allowed to pull down the barrack* which has been used as a school-room of the Free School since the year 1844, with a view to using the material in the building of a new school-room in a more central situation.

* Place of arms, No. 3, on the annual return of public Military buildings on left of the Line.

The barrack in question is very old and very much out of repair, it is of no use for Military purposes, and as in its present situation it is very remote, I think the building of a school-room in a central situation out of the material, is the best thing that could be done with it, and the school would then probably, from its situation, be more popular, especially amongst the men of the Regiment at this station. I therefore beg to recommend the proposition of the trustees, for the favorable consideration of Government.
