*Proceedings of the Madras Government, Public Works Department,
9th June 1866.*

No. 176. Read the following letter from the Officiating Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 30th May 1866, No. 341 :—

1. I have the honor to submit for sanction an estimate, amounting to Rupees 957, for constructing one dam along the west side of the East Coast Canal near Nemmaly, and also constructing another along the north side of the Tripoloor branch channel, to prevent the spontaneous generation of salt.

2. The work has been commenced on emergency, at the urgent request of the Collector, and a sum of Rupees 757 has been expended on the work up to 30th April 1866, and the balance, Rupees 213, is entered in the List of Incomplete Works which will be submitted to Government soon.

No. 177. ORDER THEREON, 9th June 1866, No. 1,814.

CIVIL WORKS, No. 31.

1. The Governor in Council sanctions the estimate of Rupees 957, which is submitted with this letter, for constructing an embankment on the west side of the East Coast Canal near Nemmaly and on the north side of the Tripoloor branch channel in the Madras District.

2. A sum of Rupees 757 has been expended on the work up to the end of the past official year and the balance of the estimate, viz., Rupees 200,* will be allotted by Government when the Superintendent Engineer's Statements of Incomplete Works come under their consideration.

* Not Rupees 213, as stated by the Officiating Superintending Engineer.
