*Proceedings of the Madras Government, Public Works Department,
9th June 1866.*

No. 184. Read the following Proceedings of the Madras Government in the Educational Department, dated 5th June 1866, No. 170 :—

Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George, dated Madras, 28th May 1866, No. 1,049.

1. Referring to Order of Government, No. 138, of the 8th instant, I have the honor to request that sanction may be given for the erection of a new Zillah school-house at Berhampore on the site selected by the Collector. I may observe that, from an Inspection Report upon the Zillah school, dated the 12th instant, I learn the site is approved of by Mr. Bowers.

2. It appears that on the 14th February last, the local subscriptions for the new school-house amounted to Rs. 796, and from the Officiating Superintending Engineer's letter, No. 2,064* of the 12th

December 1865, it will be seen that the estimate for the new building, including a sum of Rupees 300 as purchase money for a site, is Rupees 4,140.

3. I am not aware whether the site selected will have to be purchased; but, supposing such to be the case, and that the price is Rupees 300, the grant from the Educational Building Fund required is only Rupees 3,344, while a sum of Rupees 4,000 is provided in this year's Budget.

4. I beg to observe that by Order of Government, in the Department of Public Works, No. 1,324, of the 26th ultimo, the sum of Rupees 1,076 was transferred from the Medical College provision for the payment of charges incurred on account of materials collected for the Berhampore school house. On sanction, therefore, being given to the proposal made in this letter, a re-transfer of Rupees 1,076 will have to be made from the provision for the Berhampore school house to that for the Medical College building.

The Governor in Council sanctions the erection of the proposed school house at Berhampore on the site selected by the Collector.
