MADRAS RECORD OFFICE.

Government of Madras.

Public Works **DEPARTMENT.**

G.O. No. 1855 -	Press Mis.
279	
Dated 13-6-	18 66.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
13th June 1866.*

No. 279.

Dated 13th June 1866, No. 1,855.

CIVIL WORKS, No. 47.

1. It being very desirable that the Government House Park should be fenced off from the open grounds of Chepauk to prevent trespass and the encroachment of cattle, the Right Honorable the Governor in Council sanctions the construction of a teakwood palisading at a cost of Rupees 2,860.

2. But if palmirahs of really good quality can be obtained, the Government will be satisfied with a railing of that material, of the accompanying design, which it is estimated will cost Rupees 1,500.

3. The necessary funds will be placed at the Superintending Engineer's disposal immediately on the receipt of his report as to the description of railing which he proposes to adopt. In the meantime, Captain Goddard will issue orders for the work being put in hand and speedily completed.

(True Extract.)

G. H. Pine to J. H. P.

My dear Sir

I beg to return you the sketch
you were so kind as to forward of the
wooden Palisading for the
Government Compound with
another of the same kind but of
a better description of wood.

The track fence would cost
nearly twice as much as the
Palisade one but from all I can
learn - and I am so much more
satisfied that it would be cheaper

Colonel O. T. S.

in the end. I regret very much that
I should be obliged to make this
application at a moment when there
is so great a demand on the
Public Works Department but
the Government House compound is
in the absence of a fence, so much
infested by stray cattle and
people that all improvements of
the park is impossible until
the nuisance is abated.

Should the Park ground be
hereafter used, as is hoped

52
likely, for the construction of some
public building the fencing of the
Compound would become for other
reasons imperative.

Under all the circumstances I
think the application will not be
thought unreasonable.

I will bring the matter up at
the next Council.

Believe me
very truly yours

Raffles
