Dated 13-6-	18 66

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
13th June 1866.*

No. 292. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 5th June 1866, No. 615 :—

1 Memorandum.

I have the honor to submit, for explanation, the accompanying Memorandum from the Executive Engineer, Neilgherry Range, No. 23, dated 1st instant. G. O. of the 19th January 1865, No. 180, authorized the entertainment of the Apprentices referred to; but paragraph 5 does not say clearly if the proposal made by Major Farewell, as regards the fee of the Mechanical Engineer, is approved of for the term laid down by that Officer, or for any longer or shorter period. I beg, therefore, to solicit further instructions on this matter to enable me to dispose of the same.

Memorandum from the Executive Engineer, Neilgherry Range, dated Ootacamund, 1st June 1866, No. 23.

G. O. No. 180, dated 9th January 1865, gives an allowance of 73 Rupees per mensem to the Mechanical Engineer for six Apprentices. It is not quite clear to this office, if the Mechanical Engineer is entitled to continue to receive this allowance for five of the Apprentices, for whom he has now received twelve months' fee. Pay is only drawn on account of one Apprentice, for whom the Mechanical Engineer has only received seven months' fee, being, it is presumed, entitled to continue drawing this fee until the Apprentice has served for twelve months under his instructions.

No. 293. ORDER THEREON, 13th June 1866, No. 1,862.

ESTABLISHMENT, No. 21.

1. The Controller of Public Works Accounts will be informed that the Order of Government, No. 180, dated the 19th January 1865, sanctioned in accordance with Major Farewell's recommendation the payment of an allowance of 8 Annas per working day to Mechanical Engineer Smith for the first twelve months of the apprenticeship of each of the lads who were authorized to be entertained for the purpose of looking after and working the machinery on the Lawrence Asylum works.

2. The Government note that in paragraph 3 of Major Farewell's letter, dated the 3rd January 1865, it is distinctly stated that after the first year's apprenticeship the lads in question would require no more supervision and instruction than would be given by an Engineer to ordinary workmen.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

From the Controller of P. W. Accounts.

(G. S. No 615 dated 8th June 1866.)

The Controller of Public Works
Accounts will be informed that
the order of Government N 1860
dated the 19th January 1865,
sanctioned in accordance
with Major Farewell's recom-
mendation the payment of
an allowance of 8 annas per
working day to Mechanical
Engineer Smith for the first
twelve months of the appren-
ticeship of each of the lads
who were authorized to be
entertained for the purpose
of looking after and working
the machinery on the Lawrence

Acylum works
The Government note
that in para³ of Major
Farwell's letter stated the
3rd January 1865 it is
distinctly stated that after
the first years apprenticeship
the lads in question would
require no more supervision
and instruction than could
be given by an Engineer's
ordinary workmen -
