MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Officiating Deputy Commissary General, for Officiating Commissary General, Madras, 5th June 1866, No. 768; to the Secretary to Government, Military Department, Fort Saint George.

With reference to Order of Government, No. 1848 of the 31st May 1866, I have the honor to suggest that the Superintending Engineer, 5th Division, perhaps refers to the machinery for the flour mill attached to the Bangalore bakery.

2. This machinery is now in Madras, and as soon as the mill-wright has fitted the mill now erecting at the Cenotaph, he will proceed to Bangalore to erect their machinery.

3. He wishes, however, that the Bangaloro mill may be allowed to remain at Madras until he is ready to go to Bangalore, as no portion of it can be erected without his supervision, and if the machinery is sent to Bangalore before he is ready to proceed there, the several parts will be liable to be mislaid and injured.
