*Proceedings of the Madras Government, Revenue Department,

No. 211. Read the following Proceedings of the Board of Revenue, dated 14th April 1866, No. 2,577.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 27th March 1866, No. 84:—

If Government will let me have Thermometers, shewing the maximum and minimum range of the mercury in the twenty-four hours, I will ask Mr. Lowry, who is opening out land on the Annamallays, to keep a daily register of the temperature on his part of the hills. Statistics of this kind will prove valuable. Perhaps it will be well to send a Barometer also.

Recommended for the sanction of Government.

No. 212. ORDER THEREON, 9th June 1866, No. 1,391.
