*Proceedings of the Madras Government, Public Works Department,
20th June 1866.*

No. 438. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 11th June 1866, No. 637 :—

1. Adverting to paragraph 3 of G. O. of the 6th instant, No. 1,788, I have the honor to report, for the information of Government, that I propose dispensing with the services of the temporary establishment attached to this Office from the 1st instant, and taking on all those hands in that sanctioned in the G. O. under reply.

2. I beg to enquire if the annual increase to the salaries proposed in paragraph 7 of my letter to your address, No. 2,485, dated the 15th December 1865, has met with the approval and sanction of the Madras Government. This matter was left for the decision of the Government of India by paragraph 3 of G. O. of the 29th January 1866, No. 337, and by paragraph 6 of the observations of that Government, under date the 10th May last, No. 674 E, it would appear the Governor General in Council considered that salaries increasing within certain limits in each grade should be now sanctioned; but no intimation has been made to me that these Proceedings have been concurred in by the Madras Government.

3. Should the Government be pleased to grant the gradual increase of salaries by annual increments to within certain limits, I would very respectfully submit an application to be permitted to date the commencement of service on this account from 1st May 1865, the date on which the new system of accounts was introduced, and to meet the requirements of which the increased scale of establishments has now been granted. The employes of this Office have been contending all through that year not only in acquiring and mastering the new system of accounts, but also in keeping up all the additional books, &c., required by it, and, short-handed as they have been, the Accountant General, Public Works Department, entirely approves of the work done by them, though it is somewhat behind-hand; under these circumstances, I trust the Government will be pleased to give this application, on their behalf, for some remuneration, a favorable consideration.
