Referred to the Commander-in-Chief, (Quarter Master General's Department) with advertence to the item on this head entered in the list recorded in Proceedings of Government, No. 4275, dated 18th November 1865.

3rd May 1866.

From the Quarter Master General, Head Quarters, Ootacamund, 22nd May 1866, No. ¹³⁹/₄₉₈₄; to the Secretary to Government, Military Department.

In returning the enclosed plan and estimate, for constructing a shed for sick carts, doolies and a hearse, at Wellington, referred to the Commander-in-Chief on the 3rd instant, with advertence to the item under the same head entered in the list recorded in Proceedings of Government, No. 4275, dated 18th November 1865, I have the honor, by desire of His Excellency, to explain that in November last, and after the list in question was submitted, the shed which hitherto had afforded cover to the sick carriage, and which it was considered might, if kept in repair, be made to do so for some time longer, was entirely destroyed by heavy rains. The sick carts and hearse were thus left without cover of any kind. The doolies were placed as a temporary measure in the Hospital verandah. It will thus be seen that the shed now estimated for cannot be dispensed with.

ORDER, No. 1931, 6th June 1866.

Approved for execution.
