22nd June 1866.

No. 492. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Cuddalore, 14th June 1866, No. 43:—

1. I have the honor to submit, for the sanction of Government, from the current year's "Reserve" under Agricultural, an estimate, accompanied by plan and specification, amounting to Rupees 1,970, for restoring and improving the Mallur anicut in the Salem District.

1 Plan.
1 Estimate.
1 Specification.

2. The old anicut, which supplied the Mallur, Vengampatti, and Ammapali tanks, in the Salem Taluq, was of very faulty construction, and was washed away in July 1865. The ayacut under the tanks is acres 302-15-4, having an assessment of Rupees 2,053-3-11.

3. The Collector, at whose requisition the estimate now submitted was prepared, reports that the supply to the tanks under the anicut has been cut off. I request, therefore, the Government will be pleased to accord early sanction to the work.

No. 493. ORDER THEREON, 22nd June 1866, No. 1,958.

CIVIL WORKS, No. 75.

Under the circumstances which are explained in this letter, the Right Honorable the Governor in Council sanctions the estimate, amounting to Rupees 1,970, for restoring and improving the Mallur anicut in the Salem District. The necessary funds will be placed at the disposal of the Superintending Engineer of the 5th Division from the Reserve under "Agricultural."
