Proceedings of the A

Works Department,

No. 189. Read the follow.

Secretary to Governm.

30th July 1866, No. 146:—

Acting Collector of Madras, to the
Public Works Department, dated Saidapet,

With reference to the penultimate paragraph of the Order of Government, dated 25th instant, directing the immediate commencement of the Madras Water Works at the Red Hills, and the excavation of a tank at the Mount, in connection with the project of joining the Northern and Southern Canals, I have the honor to request you will be so good as to inform me, if you are able to do so:—

I.—When the works in question are to be put in hand?

II.—Whether the Collector is to supervise in any sort of way the hutting of the coolies employed on them?

III.—Whether the pay of the coolies is to be disbursed from the Collector's Treasury?

No. 190.

ORDER THEREON, 9th August 1866, No. 2,511.

CIVIL WORKS, No. 30.

1. A copy of the Orders of Government in this Department, No. 2,367, dated the 26th July 1866,

will be furnished to the Acting Collector of Madras with instructions to place himself in communication with Mr. Fraser, who will furnish any information that may be required as to the commencement of operations at the Mount and on the Madras Water Works project.

2. The Collector will arrange for the supply of all the materials that may be wanted for hutting the coolies, and will take measures for assisting the Public Works Department generally in locating the people who may seek employment on the works on suitable spots, and for establishing and maintaining proper conservancy precautions amongst them.

3. Funds for payment of the coolies will be drawn by the Officers of the Public Works Department from the Collector's Treasury in the usual manner.

(True Extract.)
