No. 329. Read the following Proceedings of the Board of Revenue, dated 3rd August 1866, No. 5,325.

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 20th June 1866, No. 163:—

1. With reference to communications received from the Superintending Engineer, Seventh Division, I have the honor to forward a Supplemental Budget of works to be performed from the District Road Fund during the current official year, and to request sanction for the same.

2. The works proposed are as follow:—

		Rs.
I.	Constructing cart stand at the Poothanoor Railway Station, as per sanction of Government, dated 25th April 1866, No. 979, Revenue Department...	1,520
II.	Opening a new trace from Kotagherry to Kodanad ...	350*
III.	Repairing five bridges on the road from Pollachy to Callingode frontier	600
IV.	Repairing certain tunnels on the road from Pollachy to Annamalay	210
		2,630

To this sum must be added Rupees 1,377, being the value of the land taken up for the site of a Chuttrum, Bandypettah, and Police Station at Poothanoor, exclusive of the portion† debitable to the Police Budget, as per Government Order of 25th April 1866, No. 979, Revenue Department, making in all Rupees 4,057. Of this amount, Rupees 2,680, being the estimate of works to be performed by the Executive Engineers, should be transferred to the credit of the Public Works Department, and I request that the necessary intimation may be given to the Accountant General on the subject. The value of the land taken up at Poothanoor (Rupees 1,377) will be paid by my Department.

† Rupees 616.

3. In my Budget Estimate for the current official year, the opening balance, on the 1st May 1866, was estimated at Rupees 2,404; but the actual balance on that date amounts to Rupees 10,166, irrespective of any unexpended portion of the amount transferred to the Public Works Department in 1865-66. Consequently, there are more than sufficient funds to meet the expenditure now proposed. The reasons why the actual balance on the 1st May 1866 exceeded the estimated balance by Rupees 7,762, are—

First.—The repairs of Chuttrums and Public Bungalows, provided for in the Supplemental Budget for 1865-66, forwarded with my communication of the 31st October 1865, No. 223, were not sanctioned, and the amount intended for the same, viz., Rupees 3,500, became a saving.

Secondly.—No per-centage charge on account of superintendence by the Public Works Department for works enumerated in the Supplemental Budget for 1865-66, for which a sum of Rupees 1,620 was provided by me, was ordered to be made.

Thirdly.—The reserve of ten per cent. on the estimated income for 1865-66, was not appropriated for any work.

4. These combined causes have produced an increase in the actual balance above the estimated amount.

* Estimate herewith submitted for approval and return.

Proceedings of the Madras Government, Revenue Department, 14th August 1866.

Enclosure No. 1.—Supplemental Budget.

Enclosure No. 2.—Supplemental Estimate.

1. With the foregoing letter the Collector of Coimbatore submits a Supplemental Budget of works to be executed from the District Road Fund. In the Original Budget the estimated opening balance, on the 1st May 1866, was Rupees 2,404, but the actual balance amounted to Rupees 10,166, irrespective of the unexpended portion of the amount transferred to the Public Works Department in the year 1865-66. Mr. Grant proposes to expend a portion of this excess on the works noted below:—

		Rs.
I.	Constructing cart stand at the Poothanoor Railway Station, as per sanction of Government, 25th April 1866, No. 979, Revenue Department	1,520
II.	Opening a new trace from Kotagherry to Kodanad ...	350
III.	Repairing five bridges on the road from Pollachy to Callingode frontier	600
IV.	Repairing certain tunnels on the road from Pollachy to Annamalay...	210
		2,680

2. Besides this, the Collector proposes to expend a sum of Rupees 1,377 in payment of the purchase money of land taken up for the site of a Chuttrum, &c., at Poothanoor. Out of the total expenditure of Rupees 4,057, Rupees 2,680 are to be spent by the Public Works Department.

3. The expenditure proposed in the Supplemental Budget is distributed as follows:—

	By the Revenue Department.	By the Public Works Department.	Total.
Original Works	1,377	1,870	3,247
Repairs...	...	810	810
Public Works supervision...	...	...	268
			4,325

4. The Board approve of the estimate of Rupees 350 for opening a new trace from Kotagherry to Kodanad, which will be returned to the Collector.

5. With the foregoing remarks, the Board resolve to submit the Supplemental Budget, and to request the sanction of Government for the expenditure of Rs. 4,325. On the receipt of the sanction, the Accountant General will be requested to place the necessary funds at the disposal of the Public Works Department.
