*Proceedings of the Madras Government, Judicial Department,
15th August 1866.*

No. 157. Read the following letter from the Quarter Master General, to the Deputy Secretary to Government, Military Department, Fort Saint George; dated Ootacamund, 9th August 1866, No. ⁴⁶⁴₆₃₂₅.

I have the honor, by order of His Excellency the Commander-in-Chief, to report, with reference to paragraph 6 of Proceedings of Government, No. 2210, dated 23rd June last, that the Committee assembled for the purpose of fixing a change in the site of the Lines of the 3rd L. I., at Royapooram, have performed their task to that extent, but find that, subsequently to its being known that the site would be required for the Troops, it has been appropriated for a Debtors' Jail.

2. No other site than that fixed by the Committee can possibly be found to suit; while for the Jail another might be found—the ground to the north of the Rail, now occupied as the Lines of the Regiment, for instance.

3. The Committee also report that, in consequence of the absence of many men on furlough, and the shortness of the time before the setting in of the North-East Moonsoon, it will be impossible to take the construction of new Lines in hand, as they could not be completed then, and it would not do to leave them partly built, exposed to the rains.

4. The operations cannot, therefore, be commenced before Christmas.

5. Meanwhile, preliminaries shall be matured, if Government will decide that the Debtors' Jail shall not be built where it is now proposed to erect it.

Referred to the Judicial Department, in view to the question of the site for the Debtors' Jail being considered in that Department.
