*Proceedings of the Madras Government, Public Works Department,
22nd August 1866.*

No. 475. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 13th August 1866, No. 1,330 :—

Read the following letter from the Deputy Controller of Public Works Accounts, to the Controller of Public Works Accounts, dated Madras, 13th August 1866.

1. I have the honor to request that you will be so good as to submit, for the favorable consideration of Government, this my application for an extension to myself of the allowances granted in paragraph 17, Section 1, Chapter I. of the Bengal Public Works Code, to the Deputy Controller at the Presidency, in which it is stated that he is entitled to the pay of the next higher grade, in addition to Presidency house-rent. I am the more encouraged to prefer this request by observing that, in the observations by His Excellency the Governor General in Council, contained in the Proceedings of the Government of India, No. 804 E, dated 7th June 1866, the reason assigned for extending to the Madras Presidency the rule of the Public Works Code I. i, 15, is that the circumstances in both Presidencies are the same. I therefore trust I may receive a favorable answer to this request, in considering which, I beg that Government will be so good as to remember that in my appointment I am not entitled to conveyance allowance.

2. Should the Government be pleased to grant the allowance applied for, I beg it may have effect from the beginning of the current official year.

Submitted for the favorable consideration and orders of the Government.

PUBLIC WORKS DEPARTMENT.

SIR,

ESTABLISHMENT, No. 59.

1. I am directed by the Right Honorable the Governor in Council to transmit, for the favorable consideration

of the Government of India, a copy of a letter from the Deputy Controller of Public Works Accounts in this Presidency, soliciting the grant to him of the pay of the next higher grade in addition to Presidency house-rent.

conveyance allowance, and its issue to them has met with the approval of the

Government of India as those Officers

do not receive the salaries of the next higher grades to their own, as they would do if employed at Calcutta or Bombay. The allowance, however, has not been granted to the Deputy Controller, and that Officer now claims to be placed, as respects the privilege of drawing the salary of the next higher grade to his own, on the same footing as Officers holding the same appointments at the other Presidencies. The claim appears reasonable, but as, if it be granted, it will place the Deputy Controller in a better position than other Officers serving at the Presidency, inasmuch as he will obtain an addition of Rupees 100 to his monthly salary, while they receive only Rupees 50, I am to say that this Government are of opinion that, if the Deputy Controller's application be acceded to, it will be necessary to extend the rule in paragraph 16, Section I, Chapter I of the Bengal Public Works Code, granting the salary of the next higher grade, to all Officers serving at this Presidency, disallowing from the date of its coming into operation the conveyance allowance now given to some of them.

I have the honor to be,

Sir,

Your most obedient servant,

I am the more encouraged to prefer this request by observing that in the observations by His Excellency the Governor General in Council contained in the Proceedings of the Government of India N^o. 804 E dated 7th June 1866, the reason assigned for extending to the Madras Presidency the rule of the P.W.
