REMARKS.

1. The local authorities considering it inexpedient to expend any money on the Sonapore road until the Bengal Government were prepared to carry out the portion of the line in that Presidency, and being, moreover, of opinion that the road in question was of less importance than other works for which funds had not been provided, recommended the appropriation of the Budget allotment of Rupees 10,000 to the two roads entered in this Statement, for the improvement of which money was urgently required. The proposal was accordingly sanctioned.

2. The estimate for this work being in excess of Rupees 10,000, the sanction of the Government of India to this appropriation is necessary.
