*Proceedings of the Madras Government, Marine Department,  
15th August 1866.*

No. 32. Read the following letter from Captain J. GODDARD, R. E., Officiating Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Madras, 4th August 1866, No. 1399.

In obedience to the orders contained in the Proceedings of Government, No. 126, dated 11th

Enclosures.  
1 Estimate.  
2 Plans.  
1 Indent.

January 1866, I have the honor to forward, for the sanction of Government, an estimate, countersigned by the Superintendent of Marine, amounting to Rupees 11,000, for carrying out the altera-

tions, &c., proposed by the Committee who were appointed to report on the Pier damages, as expressed in their report, dated 21st December 1865.

2. The Pier-head fenders and waling pieces have been removed, under the direction of the Superintendent of Marine, out of the Port Funds, and moveable booms have been suspended, to act as waling pieces, to prevent the boats being injured by the iron piles of the Pier. These items have been accordingly struck out of the Executive Engineer's estimate.

3. A special Indent is herewith forwarded for the articles required to be obtained from England, together with working drawings of the Straps, Braces, and Rods.

4. It may perhaps be considered advisable to adopt temporary measures for bracing the Pier-head, as the articles now applied for cannot be received in time to make preparations against the coming North-East Monsoon.

5. The funds to meet the Estimate, Rupees 11,000, may perhaps be provided by Government out of Port Funds.

Referred to the Marine Department, with reference to the Orders in this Department, No. 126, dated the 11th January 1866, and with a view to the Indent being forwarded to the Home Government.

FORT SAINT GEORGE,  
7th August 1866.

(Signed) C. A. ORR, Colonel, R. E.,  
Secretary to Government, P. W. D.

No. 33. ORDER THEREON, 15th August 1866, No. 200.

The Governor in Council sanctions the work provided for in the estimate submitted with the foregoing letter, at a cost of Rupees (11,000) eleven thousand. The charge will be defrayed from the Port Fund.

2. The Indent, together with the drawings which accompanied it, will be forwarded to the Secretary of State for India; and, pending the arrival of the articles therein applied for, the work proposed in paragraph 4 of Captain Goddard's letter can be carried out.
