*Proceedings of the Madras Government, Public Works Department,
27th August 1866.*

No. 568. Read the following letter from the General Superintendent of Public Works Stores and Workshops, to the Secretary to Government, Public Works Department, dated Chepauk, 15th August 1866, No. 193:—

1. I have the honor to forward the enclosed letter from the Deputy Secretary and Treasurer Bank of Madras, returning to me five base coins which were sent to the Bank to be exchanged for good ones, and stating his inability to

recognise the Bank's liability for base coins alleged to have been received from it after the money has been removed from the Bank's premises.

2. On the 10th instant I drew a cheque on the Bank for Rupees 826, for the payment of the work-people employed in the Public Works Workshop; while paying the men I discovered the five base coins alluded to, and as the money was received from the Bank, and I had no reason to suspect the men who brought it, the base coins (5 Rupees) were returned to the Treasurer to be exchanged, which he declines to do. I beg, therefore, to solicit the orders of Government for the disposal of the coins in question.

From the Deputy Secretary and Treasurer Bank of Madras, to the General Superintendent of Public Works Stores and Workshops, Chepauk, dated Madras, 13th August 1866, No. 47-293.

I have the honor to return, herewith, the five brass coins forwarded with your letter of the 11th instant, No. 185, and regret that, as a matter of principle, I am unable to recognise the Bank's liability for base coin alleged to have been received from it, after the money has once been removed from the Bank's premises.

No. 569. ORDER THEREON, 27th August 1866, No. 2,693.

ESTABLISHMENT, No. 64.

As it appears that the Bank of Madras has declined to receive back the base coin referred to in these papers the Government are pleased, under the circumstances explained by the General Superintendent of the Public Works Stores and Workshops, to direct the false coins to be destroyed and to authorize their nominal* value to be written off to Profit and Loss.
