**Proceedings of the Madras Government, Public Works Department,
28th August 1866.**

No. 599. Read the following Circular from the Government of India, Public Works Department, (Establishment,) dated Simla, 1st August 1868, No. 64 :—

Governments of Madras, Bombay, Bengal, North-Western Provinces and Punjab.
Governor, Straits Settlement.
Chief Commissioners of Central Provinces, Oudh, and British Burmah.
Commissioner of Mysore.
Resident at Hyderabad.
Agents, Governor General, Central India and Rajpootana.

1. Copy of the following correspondence forwarded to the Local Governments and Administrations noted on the margin, for information and guidance.

2. These rules are applicable to Military Commissioned and Warrant Officers, and Uncovenanted Servants in the Public Works Department.

By Order,

(Signed) C. H. DICKENS, Lieut.-Colonel, R. A.,
Secretary to the Govt. of India.

From the Government of India, Public Works Department, to the Government of India, Financial Department, dated the 15th May 1866, No. 708 E.

The rule regarding taking accumulated privilege leave under the Covenanted Leave Rules, runs thus :—

“ Civil Servants to whom an accumulation of short leave may be due, and who may take a portion thereof may, at the discretion of the several Local Governments, be allowed to take the remainder at a *subsequent time*.”

The undersigned requests to be informed if this is to be understood as meaning at a subsequent time *within the calendar year in which the first instalment is taken*, or at any subsequent time.

From the Government of India, Financial Department, to the Government of India, Public Works Department, dated the 23rd May 1866, No. 659.

The undersigned has the honor to acknowledge the receipt of the Memorandum from the Public Works Department, No. 708 E. of the 15th instant, and in reply to state that, under the rules for the grant of leave of absence to Covenanted Civil Servants, an Officer who takes only a part of the accumulated privilege leave which may be due to him, is entitled to take the remainder at a subsequent time, even in another year.

From the Government of India, Financial Department, to the Accountant General, North-Western Provinces, dated Simla, the 29th May 1866, No. 760.

1. I am directed to acknowledge the receipt of Mr. Officiating Deputy Accountant General J. Eede's letter No. 449, reporting with reference to an application from the Judge of Agra, that according to his interpretation of the Rules for the grant of leave of absence to Covenanted Civil Servants, an Officer who has divided his privilege leave may take the second instalment of it, together with any privilege leave which he may have earned by subsequent service, provided the divided leave was accumulated, but not otherwise.

2. In reply, I am desired to state that there is no objection on public grounds to Officers who obtain privilege leave under the Rules of the Civil Department, being permitted to carry forward to the privilege leave of a future year such portion of the one month's privilege leave of the previous year as may not have been taken.

**Proceedings of the Madras Government, Public Works Department,
28th August 1866.**

ORDERED that the foregoing letter be published in the *Gazette of India* for general information and that a copy of it be forwarded to the Foreign, Home and Public Works Departments; and the—
Governments of Bengal, Madras, Bombay, the North-Western Provinces, the Punjab and the Straits Settlements;
Comptroller General of Accounts;
Accountants General, Bengal, Madras, Bombay, Punjab and British Barmah; Deputy Accountants General, Central Provinces, Hyderabad and Mysore.

From the Civil Pay Master, North-Western Provinces, to the Government of India, Financial Department, dated the 12th April 1865, No. 413.

As Officers are now applying, under paragraph 8 of the new Civil Rules, for an instalment of accumulated leave, I have the honor to ask the effect of such division on future accumulations. An Officer entitled to three months' leave is absent for one month only, from 1st to 30th April 1865, when will he again be entitled to full three months' leave? I would suggest that a continuous service of eleven months should give him one month's leave in addition to the unexhausted accumulation. Thus, in the case given above, if he served continuously from 1st May 1865 to 31st March 1866, he should again become entitled to three months' leave; but if he take a second instalment from 1st to 31st August 1865, he should serve from 1st September 1865 to 1st August 1866 before becoming again entitled to two months' leave.

I suppose the division of accumulated privilege leave under this Rule, is left wholly to the discretion of the Government granting leave.

From the Government of India, Financial Department, to the Civil Pay Master, North-Western Provinces, dated Simla, the 6th May 1865, No. 93.

In reply to your letter No. 413, dated 12th April 1865, I am directed to state that the Governor General in Council is pleased to approve of your interpretation of the Rule respecting the division of accumulated privilege leave.
