I have the honor to report that I learn by a letter* from the Traffic Manager, that a Native was run over and killed at the 199th mile on the Bangalore Branch by the 8-15 P. M. train from Bangalore, on the night of the 7th instant. The body appears to have been carried three miles by the engine, and was not discovered until the following morning, when the Line Watchman at the 196th mile stopped the 5-30 A. M. goods train from Jollarapett and reported the circumstance. Information was immediately sent to the Tahsildar of Malloor. It is supposed that the deceased committed suicide.
