*Proceedings of the Madras Government, Public Works Department,
29th August 1866.*

No. 631. Read the following letter from the Registrar of the High Court of Judicature at Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 14th August 1866, No. 55 :—

1. The Judges of the High Court learn from the Civil Judge of Mangalore that, in an Order dated 25th November 1864, the Government sanctioned the erection of a new Court House for the District Moonsiff of Cassergode, but that no allotment has yet been made in the Department of Public Works to give practical effect

to that sanction. The ground stated in
* G. O. 20th June 1866, No. 1,919, paragraphs 28 and 41. an order* quoted by the Superintending Engineer, is that “an enquiry was being

“instituted for the purpose of ascertaining whether the number of Moonsiff’s Courts
“might not be reduced.”

2. In my letter of the 9th instant, I conveyed the recommendation of the Judges that two out of the eleven Moonsiff’s Courts should be closed. It will be evident from the state of the files shown in that letter that the number cannot be further reduced, and there is no likelihood whatever of the Court at Cassergode being dispensed with.

3. The Civil Judge has lately inspected the building now in use. He considers it utterly unfit for the purpose, and observes that its condition has deteriorated since last year. “In the monsoon,” he says, “it must be exceedingly inconvenient both for the Moonsiff and his establishment, and for all who have business there.”

4. In these circumstances, I am directed to request that early orders may be issued to enable the Executive Officers to carry out the sanction which the Government accorded two years ago.

Transferred to the Public Works Department, with reference to the Proceedings in that Department, dated 25th November 1864, No. 3,386, and 20th June 1866, No. 1,919.

No. 632. ORDER THEREON, 29th August 1866, No. 2,725.

ACCOUNT, No. 57.

The Reserve being exhausted, the construction of the Moonsiff’s Court House at Cassergode in South Canara must be deferred till next year, unless the Superintending Engineer can furnish the requisite funds by transfer from any allotments on which savings to the necessary extent† have taken place or are likely to occur.

The Honorable A. J. Subramanian
Chief Secretary to
Government.

Honorable Sir,
The Judges of the High
Court learn from the Civil Judge
of Mangalore that in an order
dated 25th November 1864 the
Government sanctioned the erec-
tion of a new Court house for
the District Munsif of Cassargode,
but that no allotment has yet
been made in the Department
of Public Works to give practical
effect to that sanction. The ground

stated in an order quoted by the
Superintending Engineer in that
"an enquiry was being instituted...
"for the purpose of ascertaining whether
the number of Munsifs' Courts
might not be reduced."

G.O. 20th June
1866, No. 1919,
paras. 28 and 41.

2. In my letter of the 9th
instant I conveyed the recommenda-
tion of the Judges that two out
of the 11 Munsifs' Courts should
be closed. It will be evident
from the state of the files shown
in that letter that the number
cannot be further reduced and
there is no likelihood whatever
of the Court at Chavergode being
dispensed with.

3. The Civil Judge has
lately inspected the building now
in use. He considers it utterly
unfit for the purpose and ob-
serves that its condition has
deteriorated since last year.

"In the monsoon," he says, "it must
be exceedingly inconvenient both
for the Bench and his establish-
ment and for all who have
business there."

4. In these circumstances
I am directed to request that
early orders may be issued to
enable the Executive officers to
carry out the sanction which
the Government accorded two
years ago.

Judicature, Madras,
