*Proceedings of the Madras Government, Public Works Department,
29th August 1866.*

No. 641. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 21st August 1866, No. 351:—

Read the following letter from the Acting Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 20th August 1866, No. 437.

I have the honor to inform you that five vehicles of the 5 P. M. train of the 18th instant got off the rails a few yards west of the east points at Luckady, the engine and twelve other vehicles having passed over in safety. The accident seems to be attributable to the breaking of wood trenails with which the road was laid.

Submitted for the information of Government.
