Proceedings of the Madras Government, Public Works Department,
30th August 1866.

No. 659. Read the following letter from the Officiating Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 20th August 1866, No. 1,602:—

1. With reference to the Order of Government, No. 2,424, dated 1st August 1866, I have the honor to report that the sum of Rupees 530, required for the annual repairs of Cantonment roads and bridges at Rancepett, can be transferred from the sum of Rupees 700 allotted in the current year's Budget for repairs to Travellers' Bungalows in North Arcot District.

2. The Range Officer reports that if funds be not forthcoming, the north approach to the Palar river causeway between Rancepett and old Arcot will become impassable, and thus a serious hindrance to traffic will exist.

No. 660. ORDER THEREON, 30th August 1866, No. 2,739.

ACCOUNT, No. 61.

1. The Government of India having limited the amount to be expended annually, from Imperial Funds, on the maintenance of Public Bungalows to Rupees 11,230, and that sum being found scarcely sufficient when distributed to the several Districts, the Government are not disposed to divert any portion of it to other purposes. The requisite repairs to the roads in Rancepett may, however, be carried out, on the distinct understanding that the expenditure shall be adjusted by the Superintending Engineer later in the year.

2. Provision to the extent of Rupees 530 should hereafter be made in the Budget of the 4th Division for the maintenance of the roads in question.
