Proceedings of the Madras Government, Public Works Department
30th August 1866.

No. 681. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Kodikarnel, 20th August 1866, No. 721 :—

1. In G. O. No. 1,258, of the 23rd April 1866, the Government approved of my recommendation, that Overseer Littlewood should be allowed to repay by monthly instalments the amount of public money (Rupees 311-15-10) stolen from his cash chest on the night of the 15th February, and I accordingly directed the first instalment to be paid from the salary of April.

2. I have now the honor to submit to Government, whether Serjeant Littlewood may not be considered to have been sufficiently punished by the payment of five instalments out of his salary from the month of April to August 1866, both inclusive, taking into account the additional loss sustained by him of Rs. 161-15-5, being the amount of a month's pay and allowances of the Overseer and his establishment.

3. Overseer Littlewood has been conducting his duties in a satisfactory manner ; he has had no work of importance in his charge, but he has been steady and attentive to his work in the ordinary routine, and I would recommend, for the consideration of Government, that they will be pleased to excuse the Overseer the remaining unpaid instalments. If authority is given for such amount being written off to "profit and loss," the exact sum will be made known to the Controller.

No. 682. ORDER THEREON, 30th August 1866, No. 2,750.

ESTABLISHMENT, No. 72.

1. As it appears from this letter that the stoppages which have been made from Overseer Littlewood's salary under G. O. dated 23rd April 1866, No. 1,258, press heavily on him, and as the Superintending Engineer speaks favorably of the Overseer's character and of the manner in which he has conducted his duties, the Government are pleased to remit the unrecovered portion of the amount for the loss of which he has been held responsible.

2. Captain Prendergast will report the amount which will have to be written off to "profit and loss" under this order.
