*Proceedings of the Madras Government, Public Works Department,
31st August 1866.*

Read the following papers:—

No. 690. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 3rd May 1866, No. 7.

1. I have the honor to submit herewith a plan and estimate, amounting to Rs. 800, for certain additions proposed to be made to the District Moonsiff's Enclosures 2.

Court at Ragunadhapoor, in the Ganjam District.

2. The estimate, &c., were prepared at the request of the Session Judge of Berhampore and countersigned by that Officer, who wished the work to be done in 1865-66, but want of funds prevented its execution.

3. I therefore do myself the honor of requesting that the enclosed estimate may be sanctioned, and the necessary funds placed at my disposal from the current year's Reserve to enable me to put the work in hand.

Referred to the Judicial Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

FORT SAINT GEORGE,
12th May 1866.

From the Civil Judge of Berhampore, to the Under Secretary to Government, Public, &c., Departments, Madras, dated Berhampore, 31st July 1866, No. 207.

1. In reply to your Memorandum, dated 23rd May last, No. 167, I have the honor to state that I consider that it is absolutely necessary to enlarge the District Moonsiff's Court House at Ragunadhapoor, because it at present consists of only three rooms. One measuring 20 feet by 17 feet, one 15½ feet by 15 feet, and the remaining one only 15 feet by 6 feet three inches. In one of these rooms the Moonsiff holds his Court, and the other two are the only accommodation left for his establishment of nine Clerks and his records. I am therefore of opinion that the size of the Court ought to be increased as shown in the plan.

2. The enclosures received with your Memorandum under acknowledgment are herewith returned.

No. 691. Memorandum from the Secretary to Government in the Judicial Department.
