**Proceedings of the Madras Government, Public Works Department,
31st August 1866.**

No. 703. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Kodikarnel, 17th August 1866, No. 701 :—

1. With reference to paragraph 2 of G. O., No. 2,373, dated the 27th ultimo, I have the honor to report on the unanswered subject, No. 1,700, of 19th June 1865, (which calls generally, in paragraph 4, for plans and estimates,) that it had been proposed to lay out Local Fund money on the Road No. 9, in the Tinnevely District, between Tenkasi and Palamcottah, but this road is one of those laid down as Imperial lines, on which Local Fund money is not to be expended.

2. The Collector of Tinnevely then proposed to divert the Local Fund money to a branch road between Otapidarum and the Cotton road leading to Tuticorin, and an estimate of Rupees 6,000 was prepared accordingly.

3. The expenditure thus proposed has, however, not been sanctioned, and finds no place in the Budget list of the current year. In April last I was discussing this subject with Mr. Wedderburn, and we agreed that it was not advisable to spend so much money on a length of $2\frac{1}{4}$ miles of road, but that the money would be much better laid out elsewhere.

4. I would therefore request permission to remove this Order from the list of those remaining unanswered.

No. 704. ORDER THEREON, 31st August 1866, No. 2,761.
