ment of India, that the Ordnance De-

From the Deputy Inspector General of Ordnance and Magazines, Fort Saint George,
13th August 1866, No. 95; to the Secretary to Government, Military Department.

I have the honor to acknowledge receipt of your communication, dated 3rd
August 1866, giving cover to Proceedings
of Government, in the Public Works De-
partment, No. 2363, dated 26th July 1866, in which are recorded the Orders of the
Government of India, on the subject of the supply, by the Ordnance Department
in future, of articles required in connection with flag-staffs at the several Military
stations, and asking for information as to the ruling in this Presidency in respect to
such supplies.

Herewith returned.

2. In reply, I beg to state that in Extract Minutes of Consultation, dated 30th
July 1853, Marine Department, it was
ordered that the 4 signal stations, as per
margin, then under control of the late
Military Board, with their establishments,
should be placed in charge of the Marine Department; but subsequently in Proceed-
ings of Government, Marine Department, No. 367, dated 15th November 1861, it
was ruled that all charges for establishments, stores, repairs, &c., for the flag-staffs at
Fort Saint George, Saint Thomas' Mount and Cannanore, should be provided for by
one Department; and in Proceedings of Government, Military Department, No. 4223,
dated 20th November 1861, it was further ruled, that these charges should be in-
cluded in the Military budget estimate, and the same provision is made for all Mili-
tary stations in this Presidency.

3. The flag-staffs at Military stations in the Mofussil are inexpensive ones
used by Brigadiers.

4. Accordingly, supplies are made by this Department, and the stores connect-
ed with the flag-staffs mentioned above, are accounted for to the Examiner of
Ordnance Accounts.

ORDER, No. 2991, 27th August 1866.

Recorded.

2. It is observed that the practice in this Presidency is similar to that now
ordered by the Government of India.
