**Proceedings of the Madras Government, Public Works Department,  
3rd September 1866.**

No. 41. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp, Coonoor, 25th August 1866, No. 122 :—

1. I have the honor to report with reference to G. O., No. 1,944, of 21st June, that having ascertained from the Superintending Engineers of the 6th and 8th Divisions that they had no vacancies for Mr. Cabral, I resolved to displace the only member of my own Office Establishment in the enjoyment of a salary of Rupees 40, and re-instate him in his former position. My Manager addressed him accordingly to that effect on the 4th July. His reply, most unnecessarily delayed till 20th July, and most indefinite in tenor, is forwarded for the information of Government.

2. My next proceeding was to have a list of all appointments of the value of Rupees 40, within the 7th Division, drawn up and sent to Mr. Cabral on the 23rd July, which, and his original reply of 7th August are also submitted. The endorsements on the latter complete the series of papers, which I have the honor of submitting to Government, in proof of my having carried out their orders with the most perfect good faith towards the individual whose interests I am judged to have sacrificed to a family clique against him.

3. I now respectfully request the orders of Government as to the pay to be drawn for Mr. Cabral; more especially for the considerable interval between the 4th July and the 20th August, the respective dates whereon the offer of his appointment was made and its work entered on, as the interests of the former incumbent of the office are concerned in their decision.

No. 42. ORDER THEREON, 3rd September 1866, No. 2,791.

**ESTABLISHMENT, No. 4.**

1. The Government having in G. O. of the 28th May 1866, No. 1,679, resolved, on special grounds, to give Mr. Cabral the option of returning to his former post *from the date of his dismissal*, now authorize the disbursement to that individual of full salary from that date up to the period of his re-instatement, and they are also pleased to direct that Mr. Brito, the Clerk who has been displaced by Mr. Cabral shall likewise be allowed full salary up to the 20th August 1866.

2. The Superintending Engineer should avail himself of an early opportunity for re-employing Mr. Brito.

3. The additional charge which the payments now ordered will involve, will be defrayed from savings under "Establishments."
