*Proceedings of the Madras Government, Revenue Department,
30th August 1866.*

No. 792. Read the following Proceedings of the Board of Revenue, dated 2nd August 1866, No. 5,306.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 2nd June 1866, No. 120:—

1. I have the honor to forward, for submission to Government, copy of a letter, No. 10, dated 8th ultimo, from the Superintending Engineer, 1st Division, together with a fresh estimate, amounting to Rupees 39,720, for constructing a road from Ellore to Hyderabad Frontier, *via* Chintalapudi, and to request that you will be good enough to obtain their sanction for the same.

2. This work having been sanctioned* in the Supplemental Budget of Local Funds for 1865-66, at an estimated cost of Rupees 25,000 from Ellore to

Chintalapudi only, it was commenced last year, and a sum of Rupees 1,739-11-3 has been spent up to 30th April last, out of an allotment of Rupees 3,000. In the estimate submitted with my letter, dated 24th June 1865, No. 116, it is stated in the Remark column that plan and estimate for this work will be sent shortly.

3. In the Budget for the current year, a sum of Rupees 4,600 is provided for expenditure on this work.† It will be observed that the road will be finished in three years, at a cost of Rs. 12,000

† No. 35.

in each year, as stated by the Superintending Engineer. As the project is one of much importance, and its early completion is very desirable, I propose to lay out in the current year, on the work, a further sum of Rupees 7,400, being the difference between the allotment of Rupees 4,600, sanctioned for the current year, and the amount of Rupees 12,000 required by the Superintending Engineer.

4. Sufficient funds are now available to meet the above proposed additional outlay, as a larger balance remained, on the 30th April last, than was estimated, as shewn in the margin; and sanction may, therefore, be accorded for the same.

From the Superintending Engineer, 1st Division, to the Collector of the Godavery District, dated Waltair, 8th May 1866, No. 10.

1. I have the honor to forward the accompanying estimate* for submission to Government for sanction.

2. The work was commenced last year, and Rupees 4,600 is appropriated for it in the Local Funds Budget for the current year.

*Proceedings of the Madras Government, Revenue Department,
30th August 1866.*

3. The length of road for which the estimate provides is thirty-eight miles, i. e., up to the Hyderabad boundary. Bridges for the two branches of the Yerracalwa, which cross the line of road* beyond Chintapilly, are not included in this estimate. Estimates for them will be prepared separately, ready in case you may find yourself able to appropriate funds for them either in this or future years.

* At three points.

4. If sufficient funds be available, the road may be completed as far as Vizaroye in the current year, to Chintalapudi in next year, and be finished in 1868-69: the funds required would be 12,000 Rupees in each year.

ENCLOSURE No. 2.—Estimate.

The estimate, amounting to Rupees 39,720, will be submitted for the sanction of Government. Sanction will be also requested for a further expenditure of Rupees 7,400 on the road in the current year, as funds are available, and the work is considered of much importance. On the receipt of the sanction of Government, the Accountant General will be requested to place the amount at the disposal of the Public Works Department.

No. 793.

ORDER THEREON, 30th August 1866, No. 2,275.

Local Funds, No. 22.
Civil Works.

The estimate submitted with these Proceedings is approved, and sanction is granted for the further expenditure of Rupees 7,400 on the road in the current year.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th July 1865.

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 24th June 1865, No. 116:—

I have the honor to forward Supplemental Budget Estimate* of District Road Fund for the current official year for certain new works, the execution of which was suggested by the Superintending Engineer in his letter of the 6th instant, No. 206, as very desirable, and to request that you will have the goodness to obtain sanction for the commencement of the works in question.

Part I...	Rs. 7,700
Part II ...	3,720
	11,420

ENCLOSURE No. 1.

ABSTRACT.—Supplemental Budget Estimate of District Road Fund. Part I for 1865-66.

ENCLOSURE No. 2.

ABSTRACT.—Supplemental Budget Estimate of District Road Fund. Part II for 1865-66.

The Board observe from the Local Fund Budget for 1865-66, that after providing for the necessary expenditure during the year out of the available income, there will be a balance to credit at the end of the year of Rupees 9,975. The Collector now submits a Supplemental Budget Estimate, amounting to Rupees 11,420, which exceeds the expected balance. The Estimate is, therefore, returned, and the Collector is requested to revise it within the expected balance. The Collector will understand that even should the Supplemental Budget be sanctioned, no work can be commenced unless the sanction of Government or the Board as the case may be has been previously obtained to the special work.
