MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 25th August 1866, No. $\frac{521}{7256}$; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government for sanction—materials to be sold, and the money realized, to be spent in demolition and clearance.

From the Officer Commanding Southern Division, Head Quarters, Trichinopoly, 22nd August 1866, No. 341; to the Quarter Master General, Head Quarters, Ootacamund.

I have the honor to bring to your notice that outside the bomb-proof barracks at Trichinopoly, there are* four tiled sheds which were built in the year 1841, for the shelter of European Soldiers on sentry duty.

*No. 23, *in the triennial returns of Military buildings at Trichinopoly.*

2. The buildings have long ceased to be required for the purpose, they are much out of repair, and consequently very unsightly and are often found dirty, having been used at night by passing natives for purposes of nature, I would therefore recommend and solicit sanction for their demolition and being written off the returns of the Division, as they are never likely to be of use for any purpose whatever.

3. The amount of the estimate for their demolition is Rupees 60.

ORDER, No. 3044, 30th August 1866.

Sanctioned as requested.
