Proceedings of the Madras Government, Public Works Department,
5th September 1866.

No. 123. Read the following letter from the Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 31st August 1866, No. 1,421:—

1. I have the honor to request that Superintending Engineers may be instructed to furnish me, through the Deputy Inspectors General of Ranges, with Monthly Progress Reports of Police works, in the accompanying form, modified as may seem to you desirable.

2. At present I find a difficulty in ascertaining how far the annual grant is being expended. Last year considerable sums lapsed in some Districts, which I might have been able to prevent, had the required information reached me in time.

3. I beg also that Range Officers may be directed to furnish District Superintendents of Police with periodical Progress Reports, similar to those furnished to Collectors with reference to Revenue buildings.
