1. In G. O. dated the 8th April 1864, No. 210, sanction was granted for the General Superintendence Staff required for the construction of the Errode Extension at a cost of Rupees 5,401 per mensem. Of this sum, Rupees 2,936 appertained to the staff employed upon the four Districts of the Extension, and Rupees 429 to the Trichinopoly Workshop establishment.

2. In a subsequent Order, No. 332, dated 1st June 1865, sanction was given for increasing the salaries of the Store-keepers, which raised the cost of the staff in the Districts from Rupees 2,936 to Rupees 3,036.

3. Irrespective of these sanctions, authority was granted in Orders dated 6th January 1865, No. 6, and 23rd March 1865, No. 200, for the entertainment of two Inspectors of Masonry and Plate-laying upon Rupees 236-6-0 each.

4. In December 1865, Colonel Anderson sanctioned a revised list of the establishment proposed by the Agent for the Trichinopoly Workshop, which reduced the cost of that establishment from Rupees 429 to Rupees 294.

Agent now submits a statement showing the cost of the same being as follows:—

5. These several sanctions fixed the cost of the staff upon the four Districts, and on the Trichinopoly Workshop, at Rupees 3,802-12-0 per mensem. The Agent now submits a statement showing the cost of the same being as follows:—

6. In the proposed establishment the Agent has included Maistries, Conco-polies, Watchmen, &c., who have hitherto been employed by the Engineers, by the month, and included in the Form D. Construction Account, together with Coolies and others employed by the day. The object of this arrangement is to enable the Agent and his establishment to exercise a more effectual check upon the staff employed by Engineers than they have been hitherto able to do. The arrange-ment is similar to that proposed for the Resident Engineer and Locomotive Super-intendent's Office, and sanctioned in G. O., dated 16th November 1864, No. 743.

7. The sum of Rupees 5,136, shown in paragraph 5 under the head of "Increase," is not an increase in the expenditure, and I recommend that the sanc-tion of Government be granted to the proposed establishment at a monthly cost of Rupees (8,938-12-0) eight thousand nine hundred and thirty-eight, and Annas twelve with effect from the first of this month.
