Proceedings of the Madras Government, Public Works Department, 8th September 1866.

Read the following letters :—

No. 197. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 27th August 1866, No. 1,454.

1 Original letter.

1. In forwarding, for the orders of Government, an original letter from the Superintending Engineer, 7th Division, No. 121, dated the 23rd instant, I have the honor to state that the Superintending Engineer should have stated in his letter the correct *balance* of the South Wynaad Range allotment to be transferred to the credit of the Coimbatore District. The Progress Report of that Range shows several sums on account of different works, amounting to about *Rupees* 30,000, but there may be others not yet commenced. The transfer of the drawing of funds in the Coimbatore instead of the Malabar District may, however, be authorized at once, and in order that the Accountant General may instruct the Collectors of the two Districts of the balance of the amount of the grant for the South Wynaad Range, the Superintending Engineer should report the same without delay.

2. It is to be observed that the above transfer will lead to the works in the South Wynaad Range appearing in the accounts as of the Malabar District up to August 1866, and of the Coimbatore District from September 1866. The *entire* allotment cannot be transferred to the credit of Coimbatore, for the sums already drawn must be credited to the Malabar Treasury in the accounts of this Department.

From the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 23rd August 1866, No. 121.

1. With reference to G. O., No. 2,603, of 18th August, I have the honor to state that nothing but the transfer of the entire allotment of the South Wynaad Range from my credit for Malabar to that for Coimbatore, to enable the Range Officer to draw direct on the Ootacamund Treasury, will answer the purpose in view. I request, therefore, that the Controller may be authorized to make such transfer at once, and to issue my credits for September accordingly ; to secure which I forward this letter through his office.

Forwarded, through the Controller, with the remark that the sum of Rupees 15,000 will be within the mark as available for transfer. Details will be furnished hereafter.

(Signed) G. W. WALKER, Lieut.-Colonel, R. E.,
Superintending Engineer, 7th Division.
