No. 49. Read the following Proceedings of the Board of Revenue, dated 23rd August 1866, No. 6,013.

Read the following letter from the Officiating Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vellum, 9th August 1866, No. 198 :—

1. I have the honor to submit, for the sanction of Government, plans and estimates just furnished by the Superintending Engineer, for the roads noted in the margin, which are entered as Nos. 96 and 99 in the printed Budget of the Local Funds of the current year.

	Rs.
No. 96. Cross-road from Tiruvalundar to the Palavar bridge on Road No. 41 ...	13,250
No. 99. Completing road from Ramapah Mandapam to Vellum...	2,570

2. No. 96 provides for a second-class road from Mayaveram northwards to join Road No. 41; it is intended to substitute a tract now passable only in the dry season. Mr. Logan, the late Head Assistant Collector, has strongly recommended its construction. The road will open up a rich country, and connect several villages with Mayaveram and Road No. 2.

3. The estimate, as now submitted, it will be observed, amounts to Rupees 13,250, the Rupees 9,000 entered in the sanctioned Budget being nearly a rough approximate. The allotment for the current year is Rupees 4,500, and the balance will be provided for in future years.

4. Item No. 99 provides for the improvement of the old Vellum road from Ramapah Mandapam to Pulliarputti. The estimate exceeds the allotment by 70 Rupees, and, if necessary, the excess will be provided next year.

Enclosures Nos. 1 and 2.—Estimates.
