Proceedings of the Madras Government, Public Works Department,

10th September 1866.

No. 243. Read the following Proceedings of the Madras Government in the Judicial Department, dated 4th September 1866, No. 1,382:—

Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George, dated Ootacamund, 27th August 1866, No. 62.

I have the honor to return the plan of Jailer's quarters and out-houses, received with the Order of Government noted in the margin, and to state that, as the doors and windows are of the same breadth and height, nothing would be gained by the substitution of the former for the latter in the two side-rooms marked X and Z, beyond the floor ventilation to the extent of about 3 feet by 2; and as the change would make the rooms less private, I would prefer to have them as they are.

Under the explanation given, the plan submitted is approved. The necessary estimates of the cost of building on this plan will be called for in the Public Works Department.

(True Extract.)
