REMARKS.

I. and II.—As the demand for funds for Police buildings in the Nellore and Kistna Districts was represented to be urgent, these transfers were sanctioned on the recommendation of the Inspector General of Police.

III.—As the amount granted for Minor New Works under "Agricultural" in the Kistna District was insufficient, and as it was not probable that the Range Officer would be able to spend the whole of the Budget allotment for the Commamoor channel, the transfer now reported was sanctioned.

IV.—As the grant for minor works was exhausted, it was found necessary to supplement the allotment for the Terriote road from the repair grant, the early completion of that line being of much importance.

V.—The amounts provided in Part III. of the Budget for the maintenance of certain roads include the charge for Petty Establishments, which under the orders of the Government of India, should appear in Part IV.

VI.—The floor of the Canteen at Cannanore being completely broken up, the Officer Commanding Malabar and Canara requested that its renewal might be undertaken at once, and as funds were not available from the minor work grant, the transfer shown in this statement was approved on the recommendation of the Superintending Engineer.
