*Proceedings of the Madras Government, Ecclesiastical Department,
5th September 1866.*

No. 9. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Coonoor, 7th August 1866, No. 112.

In forwarding the Estimate* for enclosing a certain piece of ground to be added to the compound of the Church at Palghaut, to be used as a Cemetery, called for in G. O., No. 1966, of 22nd June, and amounting to Rupees 1000, I

have the honor to state my opinion that such extension is perfectly uncalled for and needless. The accompanying survey will show that the area already surrounding the Church, and being inclosed with a wall at a cost of Rupees 540, whereof Rupees 322 is the allotment of the current year, will more than suffice for the requirements of that small station for many generations to come.

Referred to the Ecclesiastical Department, with reference to the Orders in that Department, No. 123, dated the 18th June 1866.

2. There are no funds available at the disposal of Government in this Department, for appropriation to the work.

FORT SAINT GEORGE,
