*Proceedings of the Madras Government, Public Works Department,
12th September 1866.*

No. 302. Read the following letter from the Superintendent Government Gas Works, to the Secretary to Government, Public Works Department, dated Madras, 5th September 1866, No. 48:—

1. I have the honor to enclose copy of a letter from the Officer Commanding 60th Royal Rifles, 3rd Battalion, requesting sanction for lighting the Regimental Theatre in Fort Saint George with gas.

2. It is stated the Regiment is willing to pay for the gas consumed, so that no additional expense to Government will be entailed if this arrangement is sanctioned.

3. There is no difficulty in lighting the theatre, pipes being already laid down; a fair charge would be the amount they now pay for lighting, as the illumination then will be so much brighter.

From the Officer Commanding 3rd Battalion, 60th Royal Rifles, to the Brigade Major, dated Fort Saint George, 4th September 1866, No. 484.

I have the honor to request that sanction may be obtained for the gas to be lighted in the Regimental Theatre, on the nights of rehearsals and performances; there is a gas meter attached to the pipe that supplies the theatre with gas, and there is no objection to pay for the gas consumed on these occasions.

No. 2,100.

Transferred to Dr. Wyndowe, Professor of Chemistry, Medical College.
