**Proceedings of the Madras Government, Public Works Department,
15th September 1866.**

No. 382. Read the following Proceedings of the Board of Revenue, dated 4th August 1866, No. 5,369.

Read the following Proceedings of the Madras Government, dated 7th April 1866, No. 1,064, Public Works Department :—

ABSTRACT.—Forwarding, with remarks, to the Government of India, the Board's Local Fund Budget Estimate of Receipts and Charges, for 1866-67.

1. Resolved that the foregoing Proceedings be communicated to the Collectors of Godavery, Kistna, Madras, South Canara, and Malabar.

2. The Collector of the Godavery District is requested to explain the difference noticed by Government in paragraph 3 of the Government Order. No estimate appears to have been yet sent for the work.

3. With reference to paragraph 4, the Collector of the Kistna District is requested to state why he has entered Rupees 2,500 as the computed expenditure, up to 30th April 1866, on the road from Ponur to Sandole, while the allotment for 1865-66 was only 1,500 Rupees. He is also requested to state why the estimated cost of the road from Juggiahpettah, to join the Hyderabad road at Chellaguntah, was entered at Rupees 2,500, instead of Rupees 3,540, as sanctioned in Government Order, dated 15th December 1864.

4. The Collector of Madras is requested to explain the subject of the remarks of Government in paragraph 7. No estimate appears to have been yet sent for the work.

5. The Collectors of South Canara and Malabar are requested to state why the computed expenditure up to 30th April 1866, with the allotment for the current year, is in excess of the estimates for the works noted in the margin.

6. With reference to paragraph 9 of the Government Order, the Government will be informed that the Schedule of Items composing the lump sums entered in the Abstract of Repairs was not submitted to Government, under the impression that this information was not required by them. Among the items of repairs there are a few works for which more than Rupees 2,500 have been allotted. A copy of the Schedule will now be submitted for the information of Government.

Transferred to the Public Works Department.
