*Proceedings of the Madras Government, Educational Department,
8th September 1866.*

No. 15. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Bangalore, 3rd September 1866, No. 1828.

I have the honor to submit a letter from the Principal, Medical College, No. 93, of the 29th ultimo, with an enclosed communication from the Professor of Chemistry.

2. I request that Government will be pleased to order the Executive Engineer to carry out Dr. Wyndowe's wishes.

From the Principal of the Medical College, to the Director of Public Instruction; dated Madras, 29th August 1866, No. 93.

I have the honor to submit, for your information, a communication received from Professor Wyndowe, and to recommend that the several alterations and arrangements suggested be sanctioned, and that the work be entrusted to the Executive Engineer, with directions that it be carried out with the least possible delay.

From Assistant Surgeon S. J. WYNDOWE, M. D., Professor of Chemistry, to the Principal, Medical College; dated Madras, 28th August 1866.

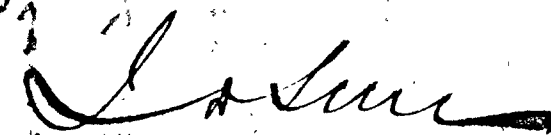

As it will be necessary shortly to move the apparatus, &c., to the newly built Chemical Laboratory, I have the honor to request that you will be pleased to have the following arrangements made, in order to provide accommodation for these articles:—

1. The door way leading from Laboratory room into store-rooms to be converted into a lock-up cupboard, fitted with shelves.
2. The space under the stairs in the store-room to be boarded up, fitted with shelves, and converted also into a lock-up cupboard.
3. The east end of store-room to be fitted with six shelves, two feet wide by nine feet long.
4. The four almirahs to be extended by the addition to them of an upper compartment four feet (clear) in height.
5. A new almirah to be made, four feet wide by eleven feet in height, in two compartments.

No. 16. ORDER THEREON, 8th September 1866, No. 254.

Orders will be issued in the Public Works Department for the early execution of the work proposed.
