MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Supt. and Agent for Army Clothing.	Here enter	12th June 1866, No. 6.
Report from the Controller of Military Accts.	,,	14th July ,, H.
From the Secretary to Government, P. W. D...	,,	3rd Sept. ,,

From the Superintendent and Agent for Army Clothing, Madras, 12th June 1866, No. 6; to the Secretary to Government, Military Department, Fort Saint George.

Rupees 669-14-3

I have the honor to bring under the consideration of Government, the want of room for working the sewing machines in the premises occupied by this Department, and to state that after mature consideration, I have had the enclosed plan and estimate prepared, to provide the absolutely required accommodation as inexpensively as possible.

2. The matter of adequate accommodation for the purposes of this Department, has often been under consideration, and I would avail myself of this occasion of referring to it, to express the hope that when the Military Male Orphan Asylum buildings are vacated, they may be made available, as they are in my opinion in every way the most suitable for a large manufacturing establishment, like that of the Army Clothing.

3. Meanwhile, I solicit early grant of authority for executing the work necessary to supply the additional accommodation requisite, as the working of the sewing machines in these premises needs the employment within doors of a large number of tailors, that hitherto were employed out of doors.

4. I may add, that the proprietor of this building will scarcely execute necessary repairs to it, much less would he undertake any alterations.
