*Proceedings of the Madras Government, Public Works Department,
19th September 1866.*

Read the following papers :—

No. 496. Endorsement of the Executive Engineer, Fort, dated Fort Saint George, 17th September 1866, No. 1.
From Lieutenant C. CUNNINGHAM, R. E., to the Secretary to Government, Public Works Department, dated Fort Saint George, 17th September 1866.

1. I have the honor to request you will submit, for the favorable consideration of Government, the following statement, with reference to their Order, No. 2,870 of 8th September 1866, Public Works Department.

2. Since my arrival in Madras after resigning the Public Works Department, I have had charge of all works in progress, or still to be carried out within Fort Saint George, and this has involved my being there daily during office hours and about twice a week in the morning, but as there are no quarters available for me in the Fort, and as Government have disallowed my claim for conveyance allowance, I beg respectfully to request that they will be pleased to define the duties which I am expected to perform under the Executive Officer in charge of the works of the Garrison, as I cannot think that it is their intention that I should be put to the expense, on bare Subaltern's pay, of keeping up means of carriage, which is necessary for the performance of the above duty to a non-resident in the Fort.

Submitted to Government for favorable consideration.
