To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

RAILWAY, No. 37.

1. With reference to Captain Williams' docket, dated 31st August 1866, I am directed to state that a draft of an Agreement between the Secretary of State for India in Council and the Indian Tramway Company (Limited), with respect to the line of light railway which has been laid down between Arconum and Conjeveram, was prepared by the Government Solicitor in May last and forwarded for the approval of the Company's Agents at Madras, who expressed their inability to approve or sign the deed without a previous reference to their Board in London. In the meantime, this Government have ordered that no further payments should be made to the Company on behalf of the State.

2. I am to add that intimation has been received by the Governor in Council of an application having been made by the Tramway Company to the Right Honorable the Secretary of State for India, for permission to extend their line from Conjeveram to Pondicherry, on the Indian gauge. This will involve the re-construction of the line on the 3 feet 6 inches gauge from Arconum to Conjeveram, and it is probable that the impending negotiations with the Secretary of State have delayed the completion of the Agreement by the Tramway Company.

I have the honor to be,
Sir,
Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
