*Proceedings of the Madras Government, Public Works Department,*
*21st September* 1866.

No. 549. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Salem, 17th September 1866, No. 103 :—

I have the honor to state with reference to the Order of Government of the 11th September, No. 2,904, that the slow progress in building the Lock-up at Suramungalum is owing to difficulty in obtaining possession of the land. After the foundation had been dug, a man claimed the ground in which one of the trenches had been cut. The site of the building was then changed, and the foundation dug a second time. The building was in progress when I passed by on the 15th, and as the wood work of the roof, doors, windows, &c.; is ready, it will not take long to complete.

Superintending Engineer's Office
Salem 17th September 1866.

No. 103.

From

The Superintending Engineer,
5th Division,

To—

The Secretary to Government
Department of Public Works.

Sir,

I have the honor to state with reference to the order of Government of the 11th September No. 2904, that the slow progress in building the Lock up at Suramungalum is owing to the difficulty in obtaining possession of the land. After the foundation had been dug, a man claimed the ground in which one of the trenches had been cut. The site of the building was then changed, and the foundation dug a second time. The building was in progress when I passed by on the 15th, and, as the wood work of the roof, doors windows &c. is ready, it will not take long to complete.

I have the honor to be
Sir,
Your most obedient servant.
E M Orme Sivett Lieut. R.E.
Superintending Engineer, 5th Division.
