Proceedings of the Madras Government, Public Works Department, 25th September 1866.

No. 612. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 13th September 1866, No. 124 :—

1 Abstract Estimate.
1 Specification.

1. Having complied with Government Order No. 2,497 of 8th August, and submitted the estimates therein referred to for revision, I have the honor to report that this Office was not in fault by underrating the estimates included in the accompanying list for Rupees 9,245, or that of Rupees 3,950 for the Poongulcottah bridge, the rates of which are those still prevailing.

2. In again requesting that the unsanctioned portion of the first set, viz., Rupees 7,140, may be passed, and that I may be permitted to enter the whole as one item in the Budget of 1867-68, I take the opportunity of representing the propriety of diverting the allotment of Rupees 2,105, made in G. O. No. 1,919 of 20th June, from the two minor bridges therein named, towards the erection of Poongulcottah bridge, before the monsoon of 1867. It is known to me personally, and has been reported both by Lieutenant Filgate and Lieutenant Thompson, as much the most important work to take in hand first; and I have accordingly directed the latter Officer to suspend operations till the orders of Government on my proposal shall have been received.

3. Further report on the estimates of the Charmady and Chibbiddree bridges, on the same line, will be made hereafter, if necessary.

No. 613. ORDER THEREON, 25th September 1866, No. 3,069.

ACCOUNT, No. 62.

Under the circumstances stated in this letter, the Government sanction the entry in the Budget of 1867-68 of a sum of Rupees 9,245 for minor bridges below the Charmady Ghaut, and the appropriation to the Poongulcottah Bridge* of the grant of Rupees 2,105, made in G. O. No. 1,919, dated 20th June 1866, for the Gooroovayunkaray and Uzirah bridges in the District of South Canara. The separate sanction accorded to the estimates for these two latter bridges in G. O. No. 26, dated 6th January 1865, is cancelled.

* Sanctioned in G. O., 6th Jan. 1865, No. 26.
