No. 100. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 20th September 1866, No. 2,209:—

Read the following letter from the Assistant Engineer, Chittoor Range, to the Superintending Engineer, 4th Division, dated Chittoor, 6th August 1866, No. 276.

1. With reference to your Endorsement No. 1,792, dated 24th August, on G. O. No. 2,537, dated the 11th August 1866, I have the honor to forward copy of a letter from the Civil Judge of Chittoor, in which he states that he cannot make over to this Department the Moofty Sudder Ameen's Court and godown attached, without referring to the High Court on the subject.

2. In paragraph 2 of the Judge's letter, he states on Captain Chrystie's authority, that he was mistaken in supposing that the building under report would answer as a Range Office.

3. I have inspected the building, and I quite agree with Captain Chrystie that it is not suitable for a Range Office. It would be impossible to pack three or four Clerks, an Engineer Apprentice, a couple of Volunteers, a Range Officer, almyrahs, record boxes, cash chests, &c., into a room 19 × 13½ feet. The godown attached is fit for stores only.

4. The building is within a few yards of the Judge's Court, the godown is simply a couple of stalls of the Court stables, enclosed, the cost of alterations and additions, to render the building fit for a Range Office, would be quite as much as it is proposed to expend on an entirely new one.

5. Under these circumstances, I have informed the Judge that I do not think a reference to the High Court on the subject necessary at present.

From the Civil Judge of Chittoor, to the Assistant Engineer, dated Chittoor, 30th August 1866, No. 183.

1. In reply to your letter No. 255 of the 27th instant, I have the honor to state that the High Court having lately refused their sanction to making over the late Sub-Court House permanently to the Police Department, by whom it is now occupied, I should not feel justified in making over the Small Court House of the late Mufty Sudder Ameen and the godown, referred to in the order of Government herewith returned, to your Department without a reference to the High Court.

2. But as Captain Chrystie expressed his opinion distinctly as to the above accommodation being insufficient for your purposes, it would appear that I was mistaken in suggesting that it would answer for the Public Works Office of the Range.

3. Were you to look over the room and godown in question when next at Chittoor, you would be able to judge for yourself, and, should you concur with Captain Chrystie, no reference to the High Court on the subject would be required.

CIVIL WORKS, No. 25.

Vide letter from Officiating Superintending Engineer, 4th Division, No. 1,398, dated 4th August 1866.

Under the explanation now afforded by the Superintending Engineer of the 4th Division, the Government sanction the estimate of Rupees 550 which was submitted in August last for the construction of a Range Office for the Executive Officer at Chittoor in the North Arcot District; but, as there are no funds available for appropriation to the work during the current official year, its execution must be deferred till the 1st April next.
