No. 130. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 28th September 1866, No. 2,003 :—

With reference to G. O. of the 22nd September 1866, No. 3,043, I have the honor to request you will be good enough to inform me, in what manner that transaction is to be conducted, so that these payments may appear in the accounts as made to the Officer concerned. It is easy enough for Colonel Moberly to make the entire amount of an abstract for any month, which may be for the whole or only a part of the pay due to him for that period, payable to his Agents in Madras, but the Range Officer here can only give a cheque to them for the money payable to themselves, when the transaction cannot appear in the accounts as pertaining to this Department for the Officer concerned, or he can make out the cheque in favor of the Officer concerned, and it must be sent to him for his endorsement before the cash can be obtained, and then it will appear in the accounts as transfers on account of "Family remittances;" moreover, no convenience will have been obtained. I may have been mistaken in the interpretation I put on G. O. of the 7th August 1865, No. 2,271, paragraph 2, but I beg to observe, the G. O. under reply conveys no distinct instructions in the matter, but merely says "there seems to be no objections to the measure." I would therefore solicit orders as to how this is to be carried out.

No. 131. ORDER THEREON, 5th October 1866, No. 3,173.

ESTABLISHMENT, No. 10.

The Order of the 22nd September 1866, No. 3,043, is sufficiently explicit, and concedes to all Officers and Subordinates of the Public Works Department the privilege which was specially applied for by Colonel Moberly. There can be no difficulty in exhibiting payments under that Order as made to the Officer concerned by cheque drawn in favor of his Agents, as shown in the margin.

"To Lieutenant-Colonel Moberly by cheque in favor of Messrs. Binny & Co., Rupees 800."
