Proceedings of the Madras Government, Public Works Department, 5th October 1866.

No. 138. Read the following letter from the Acting Government Solicitor, to the Secretary to Government Department Public Works dated Madras, 28th September 1866, No. 570 :—

1. I have the honor to bring to the notice of Government, that in clearing the land on the South Beach lately purchased by my predecessor for public purposes, there remained a native Pagoda which with the land attached to it, had not been included in any of the estimates furnished to my predecessor, and had not consequently been either purchased by him or taken up under the Public Purposes' Act.

2. The Deputy Collector of Madras has, however, lately contracted with the person claiming to be entitled to the Pagoda and land attached for the purchase thereof at the price of Rupees 350, and has applied to me to place him in funds to complete the purchase.

3. It will be observed from my predecessor's letter to Government, of the 27th of April last, No. 237, (embodied in the Proceedings of Government noted in the margin,) that the balance in my hands, after meeting the payment of 750 Rupees directed in those Proceedings to be made by my predecessor, is only 12 Annas and 5 Pice.

Dated 5th May 1866, No. 1,449, Public Works Department.

4. I therefore applied to the Superintending Engineer of the 4th Division to enquire whether any portion of the funds realized by his department, by sale of the materials cleared from the land purchased and acquired on the south beach, was in his hands, and available for the purchase of the Pagoda above referred to. I have received his reply to the effect, that the proceeds in his hands have been paid into the Treasury and credited to Government, pursuant to the Public Works Department Regulations.

5. Under these circumstances I have no other alternative than to apply to Government for such an amount as, with the balance in my hands of 12 Annas and 5 Pice, will make up the 350 Rupees to be paid for the Pagoda in question and the land attached thereto; and I beg that you will obtain the sanction of Government to the disbursement of such an amount to me, unless it is desired that I should meet such payment from the general funds in my hands belonging to Government.

No. 139. ORDER THEREON, 5th October 1866, No. 3,178.

CIVIL WORKS, No. 31.
